More than 300,000 travelers took part in our 29th annual Readers' Choice Awards survey—yet another new record—submitting millions of ratings and over 75,000 comments to help us create a list of winning favorites. The breadth of their top-rated experiences was impressive, from elegant castles in the Irish countryside to tented safari camps trailing the Great Migration across the Serengeti. They chose tiny private islands in the tropics, small culture rich cities in Europe, and intimate river cruises. Most notably, they declared a passion for the authentic, the personalized, the unexpected—finding all three in both newcomers and stalwarts around the world.
