WINES & CIDER BY THE GLASS

CIDER

Lemorton Sparkling Perry Poiré Cider, Normandy, France NV	12
Lemorton Poiré is a pear cider also known as Perry in England. Traditional pear cider is made by fermenting pear juice in tanks. When the fermenting juice reaches a certain sugar level it is bottled and continues fermenting in the bottle, creating natural CO 2 and bubbles. Naturally made, the bottles may have a little sediment in them, an evident sign of their authenticity.
